ear

INSTITUTE

**Where deaf  
children listen,  
learn, and speak.**

During the month of March, Party City is helping raise funds for Presbyterian Ear Institute Oral School where deaf children listen, learn and speak. When you purchase party supplies at either of the Party City stores in Albuquerque or at Party City in Santa Fe, you may elect to donate \$1.00 or \$5.00, which will be designated for the School. 100% of all funds collected by Party City will be donated to the Institute and will be matched dollar-for-dollar by a private foundation.
